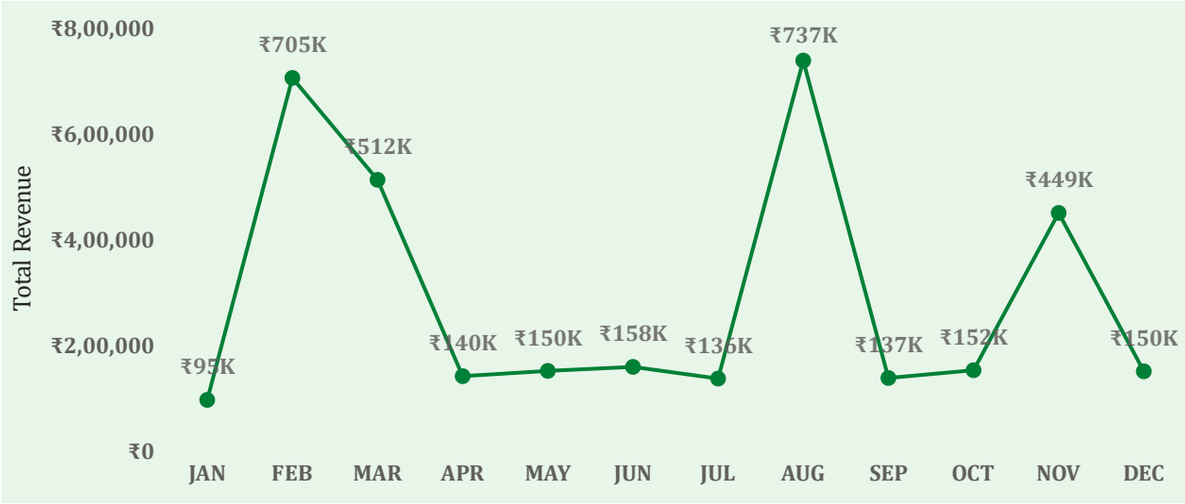
Ferns N Petals : Strategic Growth Dashboard

Analysis By: Lipi Virmani

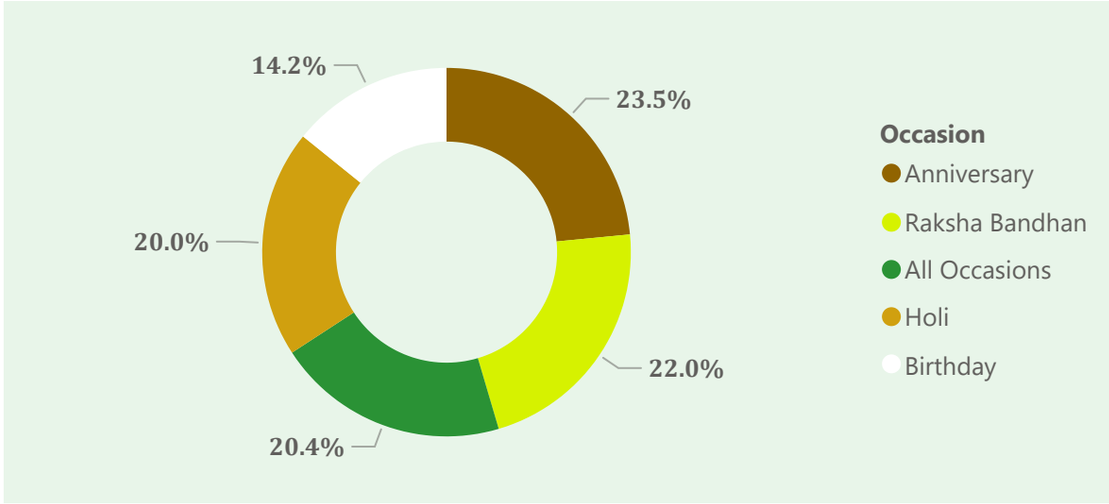
₹35,20,984	1000	100	5.53
Total Revenue	Total Orders	Total customers	Average Delivery Days

Revenue Trend: Monthly Performance and Seasonality



Peak Performance : Major Surges in August (Raksha Bandhan) , November (Diwali) , and February (Valentine's)
Market Sensitivity : High correlation between the Indian Festive Calendar and monthly revenue spikes.

Sales Mix: Revenue Contribution by Occasion



Anniversary and Raksha Bandhan are the primary revenue engines, contributing nearly 45% of the total Top 5 revenue. This Highlights a strong consumer preference for "Relationship-based" Gifting.
